

# Requisition Form for Vaccines and Other Products

Healthcare Provider Name \_\_\_\_\_

Contact Number: \_\_\_\_\_

All orders must be faxed to the Health Unit at 519-426-9246 no later than 12 noon on Thursdays in order to be ready for pick up the following Thursday after 2pm, or any time thereafter. Please note: pick up times at the health unit are Monday-Friday between 8:45am and 4:15pm.

**Steps to ensure you receive the correct antigens in a timely fashion:**

1. Include a copy of your fridge temperature logs for the last 14 days with your order and fax to 519-426-9246 by 12 noon on Thursday.
2. Include on this form how many doses of the vaccine you currently have on hand.
3. Please order the number of **doses** required, and order no more than one month supply at a time.
4. For high risk populations, please use the High Risk Vaccine Order Form.
5. Prepare your cooler for cold chain transportation.

By Submitting this order, I verify on behalf of the practice the following:

- Refrigerators have maintained temperatures between +2°C to +8°C and temperatures are documented twice daily.
- Accurate temperature logs will be provided upon request and are kept on site until our next annual cold chain inspection.
- All temperature excursions outside of +2° C to 8°C (if applicable) have been reported to and recommendations regarding usage of the effected vaccines have been implemented by the practice.
- A contingency plan is in place should a power outage and/or cold chain incident occur, including vaccine coolers and extra temperature monitoring devices.

Note: If you are unable to verify any of the above, call the Haldimand Norfolk Health Unit at 519-426-6170 Ext. 3472.
