		Product Alternate ID 657132430

By Submitting this order, I verify on behalf of the practice the following:

- Refrigerators have maintained temperatures between +2°C to +8°C and temperatures are documented twice daily.
- Accurate temperature logs will be provided upon request and are kept on site until our next annual cold chain inspection.
- All temperature excursions outside of +2° C to 8°C (if applicable) have been reported to and recommendations. regarding usage of the effected vaccines have been implemented by the practice.
- A contingency plan is in place should a power outage and/or cold chain incident occur, including vaccine coolers and extra temperature monitoring devices.

Note: If you are unable to verify any of the above, call the Haldimand Norfolk Health Unit at 519-426-6170 Ext. 3214.
