Naloxone Availability Flowchart

I am a current or former opioid user, or a friend or family member of someone who uses opioids.

NO HEALTH CARD REQUIRED

I don’t meet the criteria above, but I want a kit to assist someone experiencing an overdose.

Ontario Naloxone Program

ELIGIBILITY:
• Current or former opioid users
• Friends and family members of people who use opioids

Ontario Naloxone Program for Pharmacies

ELIGIBILITY:
• Current or former opioid users
• Friends and family members of people who use opioids
• Anyone in a position to help someone who has overdosed

I am a service provider. I want a kit for my workplace first aid kit.

YOU MUST PURCHASE A KIT

• 1 rescue breathing barrier

How to purchase intramuscular Naloxone

Purchase a pre-assembled kit from a local pharmacy

Injectable naloxone kits may be purchased from a local pharmacy that is participating in the Ontario Naloxone Program for Pharmacies. Call ahead to ensure that kits are available.

Participating Pharmacies in Haldimand-Norfolk Counties.

For a list of participating pharmacies, visit: www.ontario.ca/page/where-get-free-naloxone-kit

Haldimand-Norfolk Health Unit call for times

Simcoe 519-426-6170 x 3264 12 Gilbertson Drive, Simcoe, Ontario
Caledonia 905-318-6623 x 3264 282 Argyle St. S, Caledonia, Ontario
Dunnville 905-318-6623 x 3264 117 Forest St. E, Dunnville, Ontario

For a full list of community distribution sites, visit: www.ontario.ca/page/where-get-free-naloxone-kit

My community organization wants to distribute kits.

YOU MAY BE ELIGIBLE TO DISTRIBUTE KITS

HNHU Naloxone Distribution Program

YOUR ORGANIZATION MUST:
• Work with people at risk of opioid overdose
• Reach a difficult to reach population not otherwise served where there is known drug/opioid use
• Have demonstrated staffing capacity to manage distribution/training with clients, inventory and reporting

Intranasal/Intramuscular Naloxone Kit
• 1 hard case
• 2 doses of Narcan® Nasal Spray (4mg/0.1ml) / 2 vials of naloxone hydrochloride (0.4mg/ml)
• 2 safety-engineered 25g syringes with 1” needles.
• 2 devices for opening the vials
• 1 pair of non-latex gloves
• 1 insert with instructions/product information
• 1 rescue breathing barrier
