Nutrition Services by Registered Dietitians

This information is intended to help direct you to reliable sources of nutrition information. Registered Dietitians (RDs) in Ontario are uniquely trained food and nutrition experts. They are the recognized experts in translating scientific, medical and nutrition information into practical nutrition plans that support healthy living for individuals, families, and communities. Guided by a code of ethics and regulated by the College of Dietitians of Ontario, RDs provide nutrition information you can trust. For more information, please visit [www.collegeofdietitians.org](http://www.collegeofdietitians.org).
