Health Unit Dental Programs

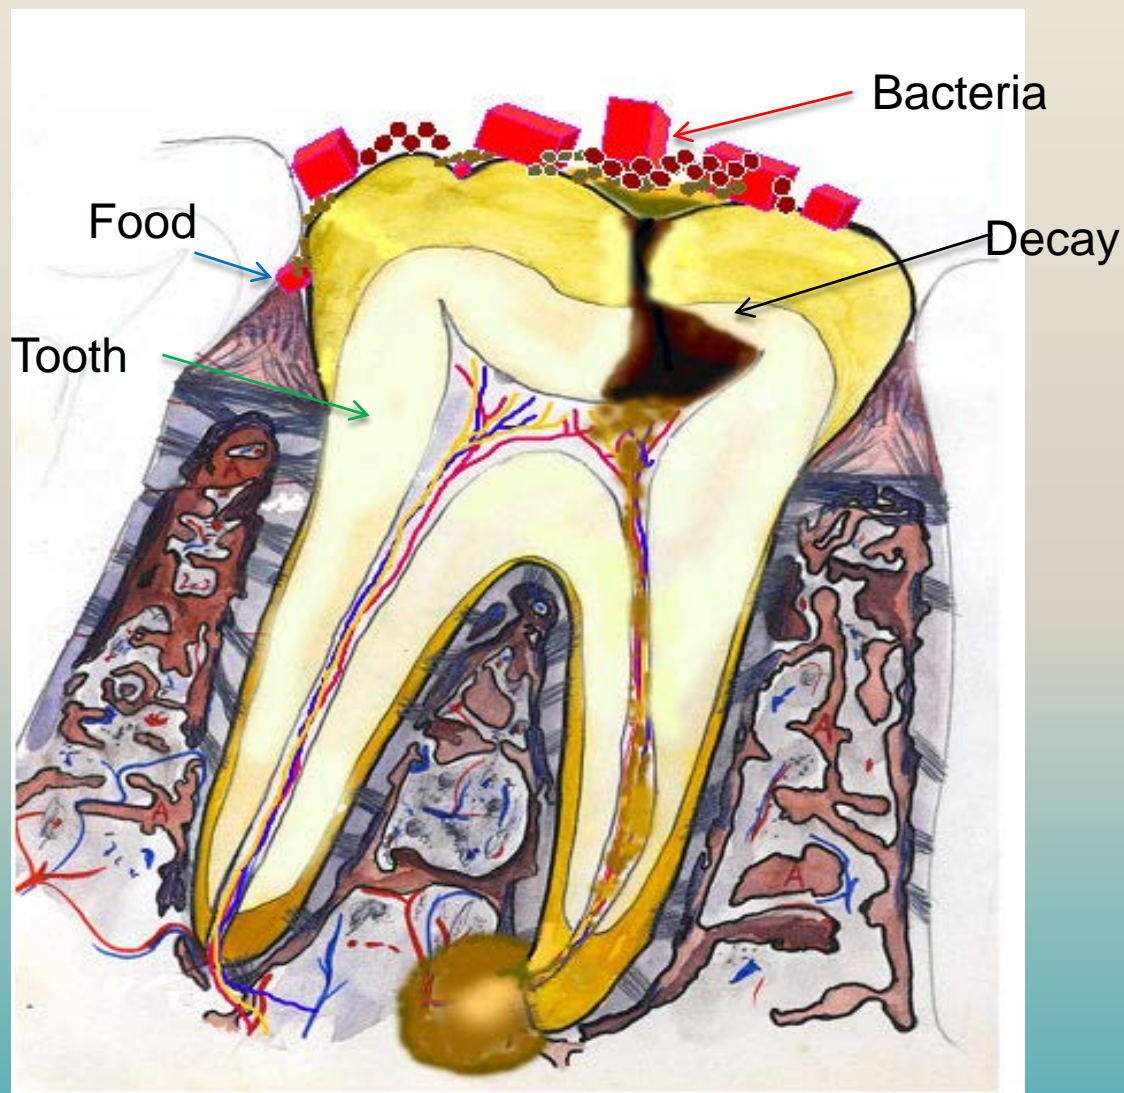

Quiz Time

What is the recipe for a cavity?

The Process of Decay

The most common place to
see an early cavity is the front
teeth

True or False

The most common place to see an early cavity is the front teeth

Baby teeth do not need to
be fixed.....True or False

a different
approach...

1st Visit by 1st Birthday

Start cleaning
before the first
tooth comes
into the mouth

Start toothbrushing as soon as
1st tooth appears

What Can You Do?

Spread the Word

A
TEACHER
affects
ETERNITY
She can never tell
where her
INFLUENCE
stops.

© Mary Adams

Chocolate pudding and ju jubes are
equally bad for your teeth

True or False
